PRICIEST TEATS ON TELLY!

Zoe Ball's £1.36m boobs

VIRTUE: Lineker

BY taking a £400k wage cut next year, crisp salesman Gary Lineker has both signalled his own virtue and solved a PC problem for the BBC.

Because with Gary no longer at the top of the tree, Zoe Ball – who, being a woman, is part of an oppressed group – will be their highest-paid star.

By BARNEY SAMUELS
news@sundaysport.co.uk

Zoe's huge £1.36m pay packet is no doubt a fair reward for losing around a million listeners from the Radio 2 morning show.

And she doesn't have to just rely on her day job – the Beeb shovel more bunce her way for her presenting role on *Strictly: It Takes Two*.

But as that's paid by the BBC's commercial arm, BBC Studios, we're not allowed to know what she gets for that gig.

What's beyond doubt, though, is that Zoe, 49, has a cracking pair of busters.

A BBC insider said: "Say what you like about Zoe, she has much better boobs that either Gary Lineker or Chris Evans, who she replaced on the Breakfast Show."

Top nobs ban dildo backers

FOOTBALL bosses have pulled the (butt) plug on a team's tasty sponsorship deal with a SEX TOY firm.

FC Emmen struck a lucrative £500,000-a-year deal to wear the name of local firm EasyToys on their shirts this season but game's top nobs have waded in and blocked it.

Holland's football ruling body KNVB – the Dutch equivalent of the FA – kiboshed their plans after a meeting last week.

They announced: "It is not appropriate to display sponsorship linked to the sex industry on team shirts.

"We take account of the fact that football is and should be accessible to the young as well as the less young."

Emmen Chairman Ronald Lubbers fumed: "We've had tough times due to COVID-19 and this makes matters worse."

HOW DOES DOCTOR WHO GET ALL THE TOP PUSSY?

LUCKY SOD: Matt, at an awards do with stunna Emilia, has since been seen with her in London

UNLIKELY Iothario Matt Smith is reportedly dating *Game of Thrones* beauty Emilia Clarke.

As our sister publication *Midweek Sport* reported that the former *Doctor Who* star, 37, was spotted in London's Soho with Emilia, 33 – Princess Daenerys Targaryen in *GoT*.

But if the reports are accurate, Emilia is by no means the only stunna to enjoy the company of the lanky lad.

Matt split from *Downton Abbey* and *Baby Driver* actress Lily James, 31, nine months ago.

By JUSTIN DUNN
news@sundaysport.co.uk

Previously he'd dated model and *Strictly Come Dancing* star Daisy Lowe, 31, the daughter of rock star Gavin Rossdale.

He met Lily James on the set of the film *Pride and Prejudice and Zombies*, but they split amid rumours of his close friendship with Claire Foy, 36, who starred opposite him as the Queen in smash hit *The Crown*.

He was once romantically linked to Karen Gillan, 32, his co-star when he was Doctor Who between 2010 and 2013, before she went on to Hollywood stardom in *Guardians of the Galaxy* and *Jumanji*, though both have denied any romance.

Another rumoured romance was again a Doctor Who star, Blackpool-born Jenna Coleman, 34, but the pair insisted they were merely friends.

And he was once linked to yet another Doctor Who assistant – the only and only Billie Piper, 37, currently wowing audiences in *I Hate Suzie* on Sky.

A production source said: "He's a smooth operator – a proper ladies' man. Lucky sod, too. How does he do it?"

Naked man gets nicked for startling wildlife fans

POLICE have arrested a naked man at a popular nature reserve following complaints from startled wildlife fans.

A Durham Police spokesperson said officers had received a number of calls of a naked man walking around Waldridge Fell, between Edmondsley and Chester-le-Street.

They added: "Officers attended and conducted searches. On Tuesday afternoon, PCSOs who were dispatched to assist with the search located a naked man on the fell.

"The PCSOs detained the man until a police officer attended the location. The man was subsequently taken into custody and has since been helping officers with inquiries."

Waldridge Fell is a Site of Special Scientific Interest and supports a number of rare plant and insect species.

Sweary Sam in oaths offer

SAMUEL L. Jackson is offering to teach Yanks how to swear in 15 languages – if they register to vote in this year's presidential elections.

In a tweet, the sweary actor and producer, 71, said: "Listen up. If 2,500 of you click a voting action below to make sure you're #GoodToVote, I will teach you to swear in 15 different languages."

Jackson is well known for being among the most prolific when it comes to onscreen swearing, but a recent survey found that Jonah Hill had the foulest screen mouth.

HEALTH SECRETARY BEGS FELLOW MINISTERS...

Stop calling me Matt W*nk Cock

MOCKED: Matt Hancock

TORY-MENTORS: (*l-r*) Patel, Johnson and Gove

By SIMON DEAN
simon@sundaysport.co.uk

HE has the peevish face of a small town building society manager who turns down people's mortgage applications for fun.

He has the spiteful sort of mouth found on engineering firm bosses who suspect their wife is having it away with the personal trainer.

And he's the man whose bad-tempered mishandling of the coronacrisis has made him one of Britain's most unpopular politicians.

But it's not just the public who hate Matt Hancock – his Cabinet colleagues hold him in ill-disguised contempt, too.

Insiders say ministers mutter the words "Matt WANK-COCK" while he's speaking in Cabinet meetings.

And his No.1 tormentor, according to reports, is no other than PM Boris Johnson.

Our highly-placed source said: "Matt has that unfortunate manner that invites mockery and the PM is never one to turn down an invitation like that.

Apocalyptic

"When Matt is revealing his latest apocalyptic projections of death if, say, people gather in groups of more than six, the PM puts a hand over his mouth, and sort of coughs the words, 'Matt Wank-Cock'.

"That inevitably sets off Priti Patel, who is a terrible giggler and more than once Rishi Sunak has had to gently kick her under the table for fear that he'll start sniggering, too.

"Michael Gove is a bugger for muttering 'wank-cock' under his breath during Matt's briefings, too. But he can sort of throw his voice, so Matt can never pin it on him."

The latest bout of mockery came when Mr Hancock came up with his "Rule of Six", saying the new rules were "necessary for the public health of the nation" and managed to win the support of the increasingly-embattled PM.

MONDAY

BORIS Johnson sees off a Tory rebellion – led by his former Attorney General Geoffrey Cox – which would have scuppered his latest Brexit negotiations.

Of course, we never had any doubt who would win that particular battle.

You don't go to Eton for seven years without learning how to deal with angry and unwelcome Cox.

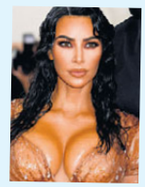
TUESDAY

PRINCE Harry enjoys a birthday bonk with Meghan – while his brother Wills learns to make bread at a London bakery.

So in a way they both had very similar days: an invitation to knead some baps after slipping into somewhere warm and yeasty.

As it happens, Meghan would have probably enjoyed the bakery visit. She can sniff out piles of dough from a mile away.

WEDNESDAY



CELEBRITIES including Kim Kardashian-West boycott Facebook and Instagram for 24 hours – to protest about them "spreading hate".

Too right.

As Kim will demonstrate (approximately every 20 minutes, now she's back online) the only thing that should be spread on social media is her own arse cheeks – ideally far enough so we can see that delicious looking avocado on toast which she posted an arty image of 12 hours previously.

THURSDAY

THE Star Wars actor John Boyega sensationally quits his role as a brand ambassador for Jo Malone candles – after he was replaced with a Chinese actor for ads in, erm, China.

Yes, we know. We're as angry, upset and disappointed as you.

However, the good news is that Boyega can now advertise other candles. Like that Gwyneth Paltrow one that she reckons smells like her own vagina.

Suggested strapline: "John Boyega already acts like a ct. Now he can smell like one too."**

FRIDAY

POLICE chiefs warn that protestors from the green campaign group Extinction Rebellion have learned to "go floppy" when they are arrested – hence sapping the force of valuable manpower to carry them away.

This is an outrage and needs immediate action from the Home Secretary, Priti Patel.

Why not dress her up in a police uniform and send her to the sharp end to make some arrests.

Personally, we'd have quite the job staying "floppy" if she did.

SATURDAY

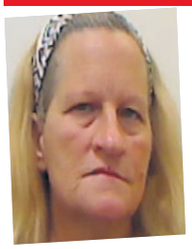
PLUCKY Brits face our first weekend under new lockdown rules which mean we can't gather in groups of more than six.

Exceptions to the rule include work, school and – naturally – grouse shooting parties.

We plan to go on a 48-hour bender with a bunch of Liverpudlian smackheads. If anyone catches us we'll just claim we thought they'd said 'Scouse' shooting parties.

SUNDAY Sport ASKS... WHAT DO YOU think?

THIS WEEK: IS THE BBC GOOD VALUE?



WELL, I for one would not be without *Strictly*, I'd pay my licence fee for that alone.

But it's not the same without Brucie, is it?

Whatever happened to him? He wasn't caught touching kiddies was he? Oh, I hope not. It was bad enough finding out that nice Fred Talbot was a bad egg.

Sally Delaney, Exeter

THE BBC? Bloody hotbed of Marxists, vegetarians, perverts and woofters! Card-carrying Labour Party members, the lot.

It's never been the same since they scrapped *The Black and White Minstrel Show*.

Political correctness? It makes me sick.

Harry Harris, Bristol

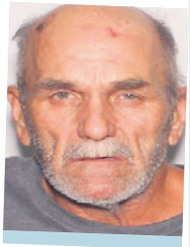
THE BBC? It's just a mouthpiece of the Tory Party, isn't it?

The way they went about destroying Jeremy Corbyn with bogus accusations of so-called "anti-semitism" was a scandal.

And who led the charge? Laura Kuenssberg. She should be tried as an enemy of the proletariat.

Don't get me started on its lack of diversity.

Jeff Basset, Taunton



I'M a big fan of the BBC but it's not been the same since they got rid of *Jim'll Fix It*.

I loved that show.

All those bright-eyed young people, having their innocent little dreams come true. What a delight.

They should bring it back.

I'm not alone in thinking this. Many of my online friends think the same.

Pete Marsh, Barnstaple

WELL, as I see it, the whole problem can be traced back to Edward Bloody Heath taking us into the Common Market.

Fans still want to see Sharon's boobies at 62

HOLLYWOOD legend Sharon Stone says she still drives randy fans wild at the age of 62.

The *Basic Instinct* babe said: "People still want to see my boobs – I'm 62! I'm like, 'Really?! Grow up!'"

The actress then reflected on why she thinks the public finds her so appealing, adding: "I never thought I was that sexy… when I did *Basic Instinct* I explored my dark side and made friends with my dark side.

"I got to not be afraid of my own self. I think people find that sexy."

And for good or for bad, Sharon said that it's hard to shake being a sex symbol – no matter how many serious roles she takes on.

Sharon added: "It's difficult, as everybody expects you to be that all the time. It was difficult for Marilyn Monroe – she did movies that really mattered, like *Bus Stop* and *The Misfits*, but she still couldn't get completely out of being that thing."

'Naked tosser had erection in church'

A MAN is facing trial for furiously masturbating by the roadside and sitting naked in a church nursing a STIFFY.

Carl Boers is charged with a total of five counts of exposure and one of committing an act outraging public decency.

Prosecutors claim that the 24-year-old of Abingdon, Oxon, carried out multiple lewd acts at various locations across the county in March.

Among the alleged acts, Boers is said to have "exposed himself masturbating on the side of the road" and "sat naked with an erect penis in a church".

At Oxford Crown Court a trial date of October 14 was agreed for his case to be heard.

No formal plea has been entered to any of the allegations.

DRONE PEEPING TOM'S LAME EXCUSE TO COPS

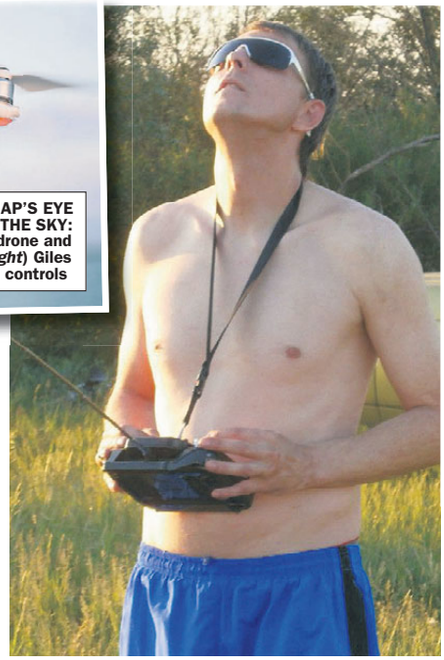
CHAP'S EYE IN THE SKY: A drone and (*right*) Giles at controls



BAILED: Giles King

WHEN the authorities came knocking on Giles King's door with accusations he used his drone-mounted camera to spy on neighbours' bedrooms, he was MORTIFIED.

The local council worker, 31, insisted he was only following the orders of feisty Home Secretary Priti Patel and spying on his neighbours to ensure they adhere to strict new COVID rules.

By SIMON DEAN
simon@sundaysport.co.uk

Last week Ms Patel encouraged citizens to report any neighbours breaking the so-called "Rule of Six", which forbids gatherings of more than six people.

Mingle

The draconian assault on civil liberties even makes it an offence – in Ms Patel's view – for groups of more than six meeting by chance in the street, to stop and chat and "mingle".

But the law is the law and, as secretary of his local Homewatch scheme in North Wales, Giles claims to take his responsibility for helping to uphold it seriously.

Now on police bail, he said: "The very idea that I was using my drone to take footage of next door's 18-year-old daughter undressing in her bedroom and coyly slipping off her crisp, white panties is beyond preposterous.

"And footage that was found on my camera of Mrs Johnson from No.11 using a sex toy on her fleshy private parts was captured accidentally.

"I was checking that my neighbours were abiding by the Rule of Six – and I'm delighted to say that they are."

A police insider said that in 300 hours of footage filmed by Giles, 260 involved women undressing or in a similar intimate situation.

However, there was no video evidence of any of Giles's neighbours breaking Government regulations.

Anti-masker

One neighbour, who asked not to be named for fear of being branded an "anti-masker" by COVID zealots, said: "Rule of Six, my eye. Than man's a ruddy pervert and everyone around these parts knows it."

THE VOICE OF YOUR BRITAIN

Re-imagine the evil we are facing

"WHO controls the past controls the future: who controls the present controls the past."

Those chilling words are as true today as when George Orwell wrote then in his dystopian classic, 1984.

Who would have believed that the savage future Orwell warned of would be coming true – bit by bit – in the Britain of 2020.

Here!

Britain!

The birthplace of liberty and Mother of the Free!

In 1984, Orwell wrote of an all-powerful Party – personified in the chilling figure of Big Brother – erasing the past.

And so we see it today.

Not only are the statues of respected past citizens hurled into the sea, our very treasured culture is being erased.

We should not be surprised that 'woke' zealots at the BBC are taking an axe to some of our treasured programmes.

We have already lost Love Thy Neighbour and It Ain't Half Hot Mum.

Now Dad's Army is in their sights and is all set to be "re-imagined" with a multi-ethnic cast.

Anyone objecting will be smeared as a racist and dragged away to the "re-education" gulag.

There is no "Big Brother" pulling these sinister strings. No single figure is driving this destruction of Britain.

A faceless mass of politically-correct busybodies is engaged in dismantling all we cherish, all we love, all our forefathers died for.

The contagion of their evil swirls around us every day.

And the day will come when they knock on YOUR door!

She's Max-well fit

RAKING IT IN: Blonde makes loadsa money from her looks

I ALWAYS WANTED MY BOOBS BIG AND FAKE!

KILLER CURVES: Amber also does modelling

36K Amber has spent £38,000 on plastic surgery

By SUZIE SHELDON
news@sundaysport.co.uk

SHE said she wanted her busters big and fake – and, by God, it looks like she's got her wish!

Model Amber May has revealed she has spent a whopping £38,000 in just two-and-a-half years to look like a "bimbo".

The 22-year-old adult TV presenter funded her ops through stripping.

And she even had to go overseas as no doctor here in Britain would give her the spacehopper-sized busters she wanted!

When Midlands-based Amber turned 19 she had her first boob job, which took her from a 34C to a 34F – the biggest a UK surgeon would agree to.

And within weeks of her bust boost she had booked to go under the knife again.

FAKING HELL: Babe had to go abroad for her massive implants

Amber said: "My first surgery was funded by working in a club five nights a week.

"I knew I always wanted them big and fake but I had surgery in the UK and they would only go up to 535cc, so 12 weeks after my first op I booked with Dr Plovirr in Belgium – he does the big XL fake implants.

"I told him to go as big as possible!"

The second op required 1,650cc implants and it took her to a 36K.

But Amber has already decided that she'll be going back for more in 2021.

So far, she has spent £11k on boob jobs, £15k on bum implants, £8k on a nose job and thousands more on lip, cheek, chin and jaw fillers.

But the investment seems to have been worth it as her curvy look has helped her to gain a huge online following.

Followers

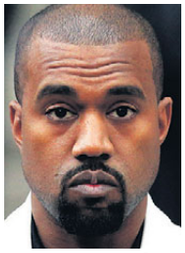
Amber added: "When I first had my breast augmentation I gained 20,000 followers or so overnight – it was crazy!

"I have worked in the adult industry for three years and did so before I had surgery, but I make a lot more now.

"I have multiple incomes because of my look – I work on TV, on cam, OnlyFans and I do modelling jobs.

"All the time I'm making money from how I look.

"I've been called a 'bimbo' or a 'Barbie' – which I really like."



Kanye takes the piss over his Grammy

TROUBLED Kanye West gave one of his Grammys a GOLDEN SHOWER.

In the midst of a Twitter meltdown, the *Jesus Walks* rapper (*above*), 43, tossed one of his 21 trophies into the toilet and filmed himself pissing on it.

"Trust me...I WONT STOP," he captioned the video, which he shared on Twitter after publishing screenshots of his contract with Def Jam Music Group.

West's video came amid a storm of tweets about musicians' lack of rights in owning their master recordings.

"The artist deserve to own our masters... artists are starving without tours...Ima go get our masters...for all artist...pray for me," he tweeted.

It came after a Twitter rant that lasted several hours, during which he violated the social media site's code of conduct when he shared the personal contact details of a magazine editor he called "a white supremacist".

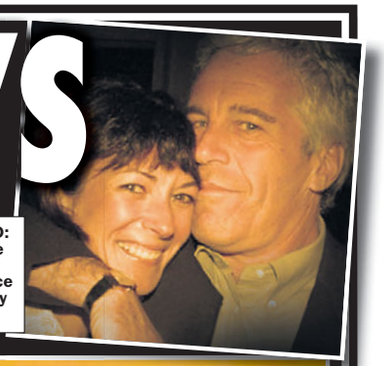
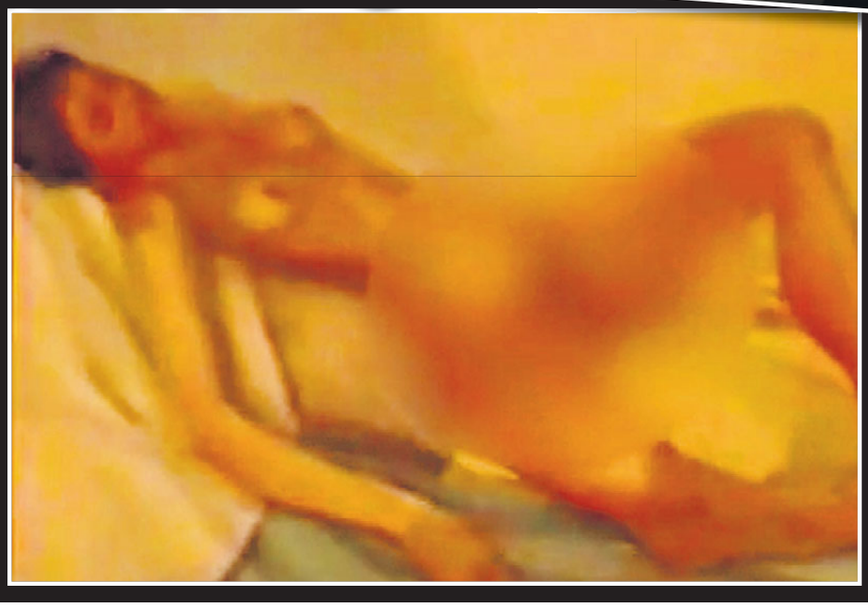
GOOD GOD, IT'S GHISLAINE'S GASH!

Nude pic of jailed heiress found in perv's house



ACCUSED: Ghislaine with her dead nonce pal Jeffrey Epstein

LET'S ALL HAVE A LOOK: A judge has decreed that nude picture of Ghislaine is OK



THIS is the picture that jailed Ghislaine Maxwell DIDN'T want you to see.

Stark naked and revealing pert breasts, the heiress has her legs splayed – revealing a deliciously-hairy SNATCH.

The life-sized oil painting of disgraced newspaper tycoon Robert Maxwell's daughter was filmed by federal agents raiding the Florida home of her ex-boyfriend Jeffrey Epstein back in 2005.

Her lawyers had tried to keep the footage – along with copies of other topless and nude photos Epstein had of her – out of her ongoing court proceedings.

But a judge ruled they COULD be presented as evidence at her forthcoming trial.

Dozens of women have accused the now-dead Epstein of raping them at his many properties around the world.

By BRAD CHADWICK
news@sundaysport.co.uk

Several alleged victims have described Ghislaine as Epstein's chief enabler – recruiting and grooming young girls for sexual abuse.

Epstein had previous. In 2005, police in Palm Beach, Florida, began investigating him after a parent complained that he had sexually abused her 14-year-old daughter.

He was convicted in 2008 by a Florida court of procuring an underage girl for prostitution.

He served just 13 months, but cops had identified 36 girls, some as young as 14, whom Epstein had allegedly sexually abused.

Epstein, 66, was facing sex trafficking charges in Manhattan when he killed himself in August 2019 while awaiting trial.

Ghislaine, 58, went on the run after Epstein's suicide and was finally arrested at her compound in New Hampshire in July.

She is accused of enticing underage girls to travel for sex and actually having sex with them and Epstein.

She is also accused of lying about it under oath in depositions when she was being sued by Virginia Giuffre Roberts, one of Epstein's accusers who claims that she had sex with Prince Andrew when she was 17.

Prince Andrew firmly denies accusations of noncery.

Maxwell has pleaded not guilty to the charges against her and is being held at the Metropolitan Detention Centre in Brooklyn until her trial.

Last week it was claimed that Ghislaine's crooked father Robert – former owner of the *Daily Mirror* newspaper – gave Epstein the cash that set him on the road to riches.

Tosser nabbed at coffee shop

A MAN has been nicked for exposing his genitals and masturbating outside the window of a coffee shop.

Police got a call about the suspect "pleasuring himself" within view of the drive-thru window at a Hot Beans Espresso outlet, where female baristas serve steaming cups of coffee while wearing only bikinis.

He was arrested on suspicion of lewd conduct and hauled off to jail in Pasco, Washington state.

After being released from nick for that, police said the suspect went to a convenience store and "proceeded to throw unpaid merchandise around and...and once again play with himself in a lewd manner".

A female employee and customers called cops, and the suspect – who by now was naked – was led back to the lock-up.

Poker girl burned alive after sex attack

A PROFESSIONAL poker player was burned alive after being sexual abused, a court has been told.

A medical examiner said that Suzie Zhao had her hair burned off, her tongue had been burned and soot was found in her airway – and that she was alive when she was set on fire.

Speaking about the July attack, Dr Andrew Hanosh said: "She was extensively burned. I would estimate at least 90 per cent of the body's surface area. There was extensive damage to the victim's genitals."

Alleged sex killer Jeffrey Morris appeared in court for the hearing in which the judge heard that Ms Zhao had been bound with zip-ties and sexually assaulted with a large object.

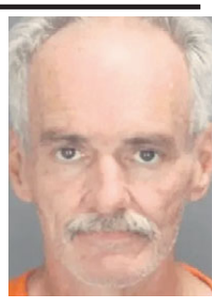
By JUSTIN DUNN
news@sundaysport.co.uk

A bloodied baseball bat was found at the scene of the crime. Her body was found in a car park by two men passing through the area.

Contact

An FBI agent revealed that mobile phone data showed that Ms Zhao and Morris had been in contact with each other before the killing took place.

Ms Zhao had won close to £200,000 since 2009, when she started her pro poker career, but had returned home to Detroit, Michigan, after facing "challenges in her personal life", said Ms Zhao's parents.



ACCUSED: Morris is alleged to have cruelly murdered Suzie Zhao

The judge in the Detroit court ruled that the prosecution had enough evidence and Morris is to be bound over for trial.

Council who cut cops asks 'Where are the police?'

A CITY council which voted to scrap its police department has reacted with surprise after its crime rate SHOT UP.

Two months ago, Minneapolis City Council caved in to BLM protesters and voted to eliminate the police department after George Floyd, a 46-year-old black man, died when a white cop in the city knelt on his neck.

Although the police department has not yet been disbanded, crashing morale among cops had led to many quitting the force or going on long-term sick leave.

Now the same politicians who voted to axe the coppers are whining that the police are not protecting their constituents.

Council members pressed police Chief Medaria Arradondo about the uptick in crimes – that included assaults, robberies and homicides, as well as property crimes and arson.

Council member Jamal Osman said: "Residents are asking, 'Where are the police?'" as he noted citizens' calls to local cops have gone unanswered.

More people have been killed in the city in the first nine months of 2020 than in the whole of last year.

Naked Daisy's a real cracker!

NOW, who is going to be a gentleman and help dishy Daisy Watts towel down her damp bits?

Whoa, whoa! Form an orderly queue!

We caught up with the 26-year-old Chelmsford cracker poolside at a villa in Majorca – from where she had to rush back when Spain was slapped on the UK's quarantine list.

Daisy, who has 32DD boobs, said: "I think I knew in my heart of hearts that Spain would go on the list when I flew out but I was desperate for a bit of hot sunshine.

"Yes, the early part of summer in Britain was quite hot but there's nothing like the proper hot you get abroad – the sort of hot you need to jump into a pool to escape!

"We were at a private villa so I was able to skinny-dip.

Anyone peeping over the wall would have seen me absolutely starkers.

Good job I'm a bit of an exhibitionist!"

I would love to have a sniff back there.

GEORDIE Shore **star Marnie Simpson was bombarded with lewd BUM-SNIFFING wishes after posting saucy pics on her Instagram page.**

The reality TV star, 28, showed off her beautiful physique in a skimpy outfit as she posed on her hands and knees on her bed.

Marnie wore a white strappy crop top and light-grey lace thong that contrasted against her bronzed complexion.

She captioned the image, "Today was a good day," and fiancé Casey Johnson chipped in, "It is," accompanied by a heart emoji.

The mother-of-one announced in August that she is engaged to her singer beau, 25, and gushed that she had met the "man of her dreams".

But sex trolls were not content to bask in the reflection of Marnie's joy, instead begging to insert their dirty noses into her tight, puckered ringpiece.

Nipsy

One sick user called BigPoppaDump on the website of the hateful *Daily Mail* slavered: "Can I have the privilege of sniffing her butt."

Another user, hiding behind the pseudonym William, of London, leered: "I would love to have a sniff back there."

Meanwhile, a user called The Bear, in a reference to Marnie's hands-and-knees pose, smuttily asked: "How many times has she been in those positions?"

A pal of Marnie said: "Marnie is a new mum and this is not on.

"She may be in the public eye but that is no excuse to request a sniff of her bottom. These creeps would probably want to slip their tongue up her nipsy, too.

"It makes me shudder with rage."

Nude stabber spills his guts

A NAKED loon stabbed two people before cutting his own INTESTINES out.

Police say Sandy B. Parkhurst, 59, stabbed James Nahf and Maria Maslar inside a house.

Mr Nahf fled the house and sought help while police found Ms Maslar inside.

After encountering a bloody Ms Maslar at the front door, officers saw a naked Parkhurst inside holding a knife covered in blood.

Parkhurst was bleeding and his intestines were exposed from a self-inflicted stab wound.

An officer Tasered Parkhurst during a brief struggle at the scene in Hanover Township, Pennsylvania.

After medical treatment to put his guts back in, Parkhurst was charged with two counts each of aggravated assault and slung in the nick.

SNAP, CRACKLE... AND PLOP!

Fuming Janet shat in cheating hubby's Rice Krispies

By BARNEY SAMUELS news@sundaysport.co.uk

THEY say that revenge is a dish best served cold.

WRONG!

Revenge, as wayward Ken Linsey found out, is a dish served with a ruddy great POO at the bottom!

When Ken's wife Janet found out that her spouse was slipping a length to a bird from the chippy, she kept her discovery quiet.

She gritted her teeth when Ken returned to the couple's tidy, three-bedroom semi in Hartlepool, reeking of chip fat, mushy peas and (fanny) batter.

But all the while, the 39-year-old was concocting a plan to get her own back.

Janet explained: "It came to me when Ken said that he loved Rice Krispies and that he'd not had them for years.

"I said to him, 'I'll get you some, pet, when I go to the shops'.

"Next morning, before he came down for breakfast, I curled one off in the bowl before pouring his Rice Krispies and milk in.

SO CHOCOLATEY, IT EVEN TURNED THE MILK BROWN: Wife Janet kept her powder dry before unleashing a turd in cheating hubby's breakfast

Float

"I'd had some fruit cake the night before, so that it didn't float.

"Ken came down and said, 'Hoy – Rice Krispies! I love Rice Krispies, me'.

"Then he gets closer and said, 'These look more like Coco Pops to me,' and took a great big mouthful!

"You should have seen his face when he realised there was a big, f**k-off shite in the bowl!

"I said, 'I know what you've been doing with that lass from the chip shop, you dirty f**king wee c**t!

"Now, sling your hook!"

Ken, 43, who is now living in digs, told *Sunday Sport*: "Who shits in Rice Krispies? It's utterly ungodly, that's what it is!"

IN HAPPIER TIMES: Janet and Ken

He added: "As well as that, it's unhygienic. I've been to hospital to have tests for the typhoid and the cholera.

"When they asked me why I wanted a test, I told them, 'My wife shat in my Rice Krispies!'

"There was one young nurse there who started laughing!

"I said, 'It's not funny, pet. I could have swallowed that big tord of hers' – and she just laughed all the more. I'm going to put in a complaint – I want compo.

"Laughing at me because I near swallowed my wife's tord!"

But fiesty Janet remains unrepentant.

She said: "I would do the same tomorrow... the dirty, cheating bastard.

"But I'm not sure if I can lay a tord like that one again. It was a beauty."

Nurse told patient to flick bean on hotline

A WOMAN in severe pain was advised to MASTURBATE in the shower and rub oil on her ANUS by a health service hotline nurse.

The patient called for advice while suffering from abdominal pain after an operation.

Nurses are told to refer patients to hospital rather than continuing to suffer at home, but the patient was instead given the bizarre advice.

Queensland Health in Australia has since apologised to the female, admitting the advice could have been catastrophic for her.

Outbreak

Around 100 calls per day are made to the hotline, but the number has shot up since the COVID-19 outbreak.

The line is available 24-hours-a-day and is run by 170 registered nurses, who are all required to have a minimum of two years' work experience.

The nurse in question had reportedly held the job for five years.

A Queensland Health spokesman said: "We apologise for any distress caused to the patient, which is why we took immediate action within 24 hours of the incident."

The matter is now being investigated.

Drugged-up perv gets cop kicking

A DRUGGED-UP pervert who was exposing himself in a busy street got a proper kicking when he tried to flee cops.

Officers tried to stop 27-year-old Travis Draper (*above*) from walking around with his "private areas showing."

Draper attempted to escape arrest by running into the road, causing a car to swerve.

Cops claim they were concerned about Draper's safety and the safety of the public, so they immobilised him with a stun gun and gave him a precautionary pasting.

He appeared in his police mugshot nursing cuts and bruises.

Draper was done for walking on a highway while under the influence of drink and drugs in Marion, South Carolina.

Underwear thief sniffed panties online

By BARNEY SAMUELS news@sundaysport.co.uk

A MAN who uploaded social media posts of himself sniffing stolen women's panties has been fined for his filthy antics.

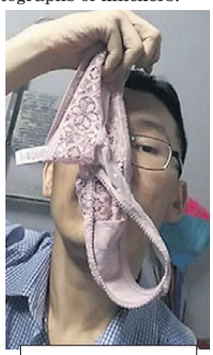
Lim Wei Ming, 35, pleaded guilty to one count of causing a public nuisance and one count of possessing four obscene video files.

Another two charges of causing a public nuisance were taken into consideration for his sentencing.

These include Lim uploading a post containing four photographs of him posing with and sniffing pink female underwear with the caption "Public panty sniffing", and another post he uploaded onto the same account two photographs of knickers.

On another occasion in 2018, after coming across a pair of black shorts on a clothing rack, he masturbated and ejaculated on them.

On August 14 last year, he posted a picture of it on his Instagram account alongside the caption, "Masturbation onto black shorts."



DIRTY PICTURES: Lim sniffs knickers in Instagram post

Fetish

The perv's Instagram account could be viewed by the public at the time and caused a total of 38 police reports to be lodged against him.

He was diagnosed with Fetishistic Disorder involving female clothing and a "predilection for female intimate wear", said an Institute of Mental Health psychiatrist, who provided a report on him.

Lim's photos sparked an outcry from other Instagram users and he soon deleted them.

In August last year, Lim was arrested at his home in Singapore, which was searched.

In court, where Lim was fined £1,300, Public Prosecutor Sean Teh said Lim's Instagram profile was available for anyone to view and had caused significant public annoyance.

Lim's lawyer David Nayar said his client's photos had "spread like wildfire" and it had not been his intention for them to be seen that way.

He pointed out that a member of the public would have to search for his name to find them.

Star filmed porn vid at sacred site

A PORN star has been arrested for filming a sex movie at a sacred forest said to be the home of a heathen fertility goddess.

Tobiloba Jolaosho (*above*), known in the Nigerian adult film industry as King Tblak HOC, has been arrested for allegedly recording a grumble vid at Osun Osogbo – a World Heritage Site on the outskirts of Osugbo.

The Yoruba people come to the grove from across Nigeria to offer sacrifices to their fertility goddess, Osun.

Jolaosho, a popular adult movie producer, uploaded the clip to his social media accounts and website.

In the scene, he is allegedly dressed in a white robe, which is usually worn by the goddess's followers.

Police say his actions "could have breached public peace" and that he will appear in court after an investigation is concluded.

Judge guilty of sex crimes against girls

A PERVY judge has been convicted of sex crimes involving three underage girls, including one who had been best friends with one of his daughters.

A jury found Judge Jeff Perilloux (*above*), 53, guilty of three counts of indecent behaviour with a juvenile.

Two of the three charges stemmed from Perilloux's actions against a 15-year-old girl, the friend to one of his daughters.

She testified that he committed the crimes during two back massages, in May and June 2017. During one, he held a hand over her breast.

A 14-year-old girl told cops that, in June 2017, Perilloux rubbed sunscreen all over her body against her wishes.

Perilloux's defence team pleaded to no avail that a conviction would "destroy his life".

Perilloux, who was found guilty in the same courtroom where he was sworn in, will be sentenced on October 15.

Hikers spot bear eating body parts

A GROUP of hikers ended their trek in horror after discovering a bear dining on HUMAN REMAINS.

The had passed a deserted campsite before encountering a scattering of body parts.

A bear was spotted "scavenging the area".

Park rangers received a call just as soon as the hikers returned to an area with mobile coverage in the Great Smoky Mountains National Park in North Carolina.

Park officials said: "Staff arrived shortly after midnight and confirmed the report of a deceased adult human male."

Rescuers also saw a bear, presumably the same one spotted by the hikers, "scavenging on the remains".

They then euthanised the creature, although the cause of death cannot firmly be traced back to the bear at this time.

BBC GO EVEN MORE WOKE AS THEY MAKE OLD DAD'S ARMY EPISODES 'INCLUSIVE'

Don't tell him, Abdul!

FUNNY LOOKS: How cast of Dad's Army may look in new makeover, which hopefully Tim Davie will put a stop to

IS nothing sacred?

A secret BBC committee tasked with tackling the "problematic" content in the Corporation's archive has recommended making some of their classic series more "diverse".

And first in their sights is the much-loved comedy *Dad's Army*, which they want to give a diversity makeover.

The show, which ran from 1968 to 1977, gently mocked Britain's Home Guard during WWII with their robust views, including references to fuzzy-wuzzies unlikely to be deemed acceptable to modern viewers.

One famous scene sees soppy Private Pike asked to give his name by a German officer, to which Captain Mainwaring orders, "Don't tell him, Pike!"

An old BBC hand, appalled at the idea, spoke out to *Sunday Sport* under condition of strict anonymity.

By BARNEY SAMUELS
news@sundaysport.co.uk

He told us: "I've seen some bad shit going on at the BBC in recent months – sinister, Stalinist shit with history being rewritten and this new 'woke' garbage' being injected in everywhere.

"But *Dad's Army* is a step too far. If they start buggering about with that, then nothing is safe.

"They'll be rewriting *Three Up, Two Down* next. Bastards!"

Minorities

In the secret committee's plans, the Walmington-on-Sea Home Guard platoon would have its "ethnic balance adjusted" with Captain Mainwaring, Corporal Jones and Privates Godfrey, Pike and Walker converted into characters from minorities using space-age technology.

CGI magic would also be used to inject "gender identity issues" into Sergeant Wilson's character.

The only main character to escape alteration is the Scottish Private Frazer.

Plans to change vicar, The Reverend Timothy Farthing, into a Muslim imam are as yet unconfirmed.

Our source said: "Some of what the BBC has done is understandable. I mean, when the Major says 'n*****s' in *Fawlty Towers*, of course you can't say that these days.

"But *Dad's Army*? The world has gone mad."

It's hoped that new BBC Director-General Tim Davie may halt to the vandalism of popular comedy.

The incoming DG already reversed a decision to ban the lyrics of *Rule Britannia!* and Land of *Hope and Glory* being sung at Last Night of the Proms.

THOSE of a culinary bent will be champing at the bit in anticipation as *The Great British Bake Off* starts again on Tuesday.

For this series, the wee Norwegian Sandi Toksvig is being replaced by Matt Lucas – "big baby" George Dawes of *Shooting Stars* fame – as host.

The show will make stars of the contestants as they bake cream buns and suchlike and – in light of recent events – it's likely to be a fizzing cauldron of "diversity".

Hooray!

Here at *Sunday Sport* we are not food snobs.

That said, we all appreciate the sight of a pretty lady at her labours in the kitchen.

And that appreciation is all the more if that lady has her busters out.

So here you go – five pages of babes rustling something up...

10 things you might not know about TIKTOK

TWO cops committed gross misconduct by posting "offensive and inappropriate" TikTok videos while in uniform, a misconduct panel has found last week.

PCs Amy Taylor and April Cooper, of Cambridgeshire Police, were given final warnings after they posted clips of themselves "shouting offensive language" in a police car and dancing inappropriately in a police station.

But what is TikTok? Here are some facts you may not have known...

1 **TIKTOK is a Chinese video-sharing social networking service owned by ByteDance, a Beijing-based internet technology company founded in 2012 by Zhang Yiming.**

2 IT is used to create short music, lip-sync, dance, comedy and talent videos of three to 15 seconds, and short looping videos of three to 60 seconds.

3 **THE TikTok mobile app allows users to create a short video of themselves which often feature music in the background, can be sped up, slowed down or edited with a filter. They can also film short lip-sync videos to popular songs.**

4 IN its country of birth – China – TikTok is known as "Douyin" – which means "vibrating sound". Although they spell it with their funny squiggles.

5 **BYTEDANCE first launched Douyin for the Chinese market in September 2016.**

6 TIKTOK launched in 2017 for iOS and Android in most markets outside of mainland China. But it only became available worldwide – including the US – in August 2018.

7 **TIKTOK also has global offices, including in Dublin, Los Angeles, New York City, London, Paris, Berlin, Dubai, Mumbai, Singapore, Jakarta, Seoul, and Tokyo.**

8 IT now has around 700 million regular users and the app has been downloaded two billion times.

9 **IN August this year President Donald Trump threatened to ban TikTok in the US, unless it was taken over by a "very American" company – such as Microsoft.**

10 IT was banned in India in June after border clashes between China and India.

DEANO ON SUNDAY

An hour of escape from 'woke' telly hectoring

HERE at Deano Towers, we're big fans of cop dramas.

Once I've finished my chores, the current Mrs Deano allows me to join her on the sofa for an hour of death, murder, gore and intrigue.

But the other night we opted for a change and settled down to watch the first episode of the new *All Creatures Great and Small*.

We're both fans of the original, starring Christopher Timothy and Robert Hardy, and were slightly concerned that the reboot may not have measured up.

Dear reader, we need not have worried.

Seldom has an hour of telly been so enjoyable.

Who would have thought that a TV show featuring a young Scotsman with his arm up a cow (unlike the original, they use a prosthetic beast for close-ups now) would be so uplifting?

It was a joy and we loved it.

And we were not alone.

The first episode was watched by 3.3 million viewers and earned an audience share of 20.4%, making *All Creatures Great and Small* Channel 5's highest rated show since February 2016.

My bet is that it will be a huge triumph for C5 and it's being compared favourably to the BBC original – it even has the same glorious theme tune.

And here's a thing.

At a time when telly executives are bending over backwards, scrambling to be the most "woke" and sacking long-time *Question of Sport* presenters for being "too white", there was NO "diversity" in *All Creatures Great and Small*.

Of course there wasn't. It's set in 1930s North Yorkshire.

But you can bet that somewhere, someone is wondering why an immigrant family from Somalia was not shoehorned into the original James Herriot story.

Or why *All Creatures* hasn't tackled the gritty issue of racism in Swaledale.

Or cross-dessing in Keld.

There is HUGE pressure on TV companies add a layer of political correctness on everything – no matter how incongruous it may be.

But maybe the vast majority of people in Britain – that huge, unheard mass of people who do not constantly blather on "Twitter" – don't WANT to be lectured at every turn.

Decent, ordinary people who don't want to be called "racist" because they oppose vandalism, or "transphobic" because they don't want a man in a bra in the same changing room as their daughter at the swimming baths.

People who think the olden days – for all their faults – were perhaps politer, gentler and happier than today's tortured times.

So C5 should be congratulated for creating an island of idyllic resistance.

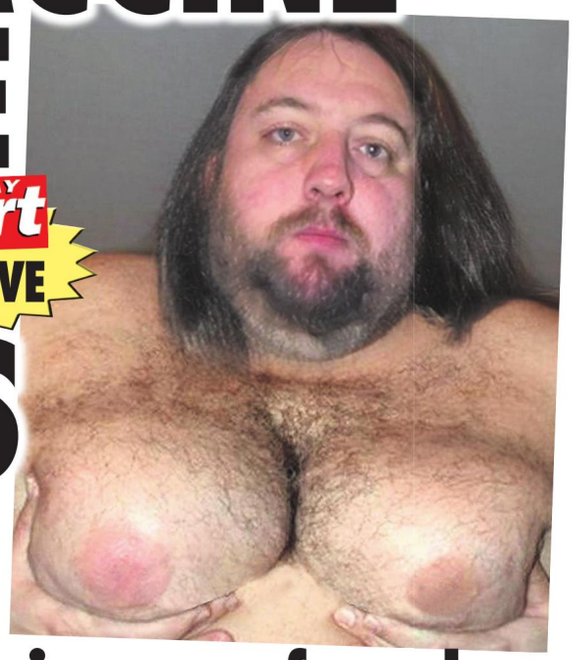
COVID VACCINE MADE ME GROW WOMEN'S TITS!

SUNDAY Sport EXCLUSIVE



LEFT FEELING A TIT: Amateur scientist Barry shows off his lady's breasts

VACCINE: Boffins all over the world are trying to develop a cure for COVID-19

Barry's immune from bug ...but has 36D KNOCKERS

WHEN ice cream distribution driver Barry Harper was furloughed from his job, he found that he had a lot of time on his hands.

He could – like many furloughed workers – have quickly sunk into drink-fuelled oblivion or joined the uninformed debate about COVID-19 on social media.

By SIMON DEAN
simon@sundaysport.co.uk

But the 41-year-old singleton from Gateshead, Tyne and Wear, is made of sterner stuff than that.

So he set about trying to find a vaccine for the Chinese death plague that had laid the world low.

Despite having no formal scientific training beyond a D-grade GCSE in chemistry, he started tinkering with materials bought from the Dark Web in the search for a coronavirus cure.

Six weeks ago he injected himself with his prototype vaccine and since then has NOT caught COVID-19 – proof enough that his elixir works.

However, there have been some complications...

As well as developing an uncanny resistance to the bug – which can kill a healthy elephant daft enough to eschew a face mask – Barry has grown 36D WOMEN'S TITS!

Saviour

The amateur boffin told *Sunday Sport* last night: "I was really hoping to be the saviour of mankind and was going to put my recipe on the internet – and give my vaccine to the whole world for free.

"But I can hardly do that if it's going to make every bloke on Earth grow women's tits.

"To be fair, they are lovely women's tits and I've even had a tweak or two, as I've never felt a real woman's tits, but they don't suit me.

"And the shitting blood is a bit of a worry, too. Hey-ho, back to the drawing board."

Barry is not the only boffin to hit difficulties developing a vaccine.

Last week, the trial of AstraZeneca's prototype vaccine was put on hold when a UK participant was rushed to hospital after suffering a serious reaction that triggered inflammation of the spinal cord.

READER PIC

Pam's a natural beauty!

SEXY Pam Thwaite didn't need a dodgy COVID-19 vaccine to grow her impressive women's tits.

The 48-year-old MILF from Barnstaple, Devon, said they're just as nature intended, adding: "I have thought about giving them a bit of a lift, but my hubby loves them just as they are.

"I hope your readers like them, too."

Would you like to see your sexy pic in *Sunday Sport*? Email *readerpics@sundaysport.co.uk* – we'll reply straight back.

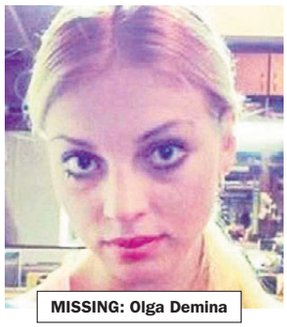
Top ballerina 'chopped up and dissolved in acid'



MISSING: Olga Demina

A BALLERINA from the world-famous Bolshoi Theatre was dismembered and dissolved in SULPHURIC ACID after a blackmailer threatened to reveal nude photos of her.

Russian detectives are following a new lead in a long-running probe into the disappearance of dancer Olga Demina, 25, six years ago.

She is believed to have been killed after she was the victim of a sting operation by a man possessing "sexually compromising" pictures of her.

By BRAD CHADWICK
news@sundaysport.co.uk

Malkhaz Dzhavoev, 40, described as the dancer's "manager" and "lover", has been named as the prime suspect.

He was detained in Moscow in 2017 after he was extradited on an Interpol warrant from Germany where he had fled from Russia, posing as a Kurdish refugee.

He was recently jailed for five-and-a-half years for fraud involving a flat belonging to the ballerina's boyfriend Alexey Fetisov.

A law enforcement official said Dzhavoev "let slip" Olga's corpse "was dismembered and dissolved in acid" with her remains thrown in a well near a lake.

The source said: "A search is under way there now.

"Sulphuric acid does dissolve everything to zero.

"Some body fragments should be preserved. But they still need to be found."

Immediately before she vanished, Dzhavoev took her on a trip out of Moscow to dance for a group of businessmen at a nightclub.

Dzhavoev and his dad bought sulphuric acid from an industrial source, it was reported.

Last year a skull was found close to where Dzhavoev's mobile signal was registered on the night Olga went missing – but it was found not to be linked to the case.

Dzhavoev's lawyer denies any wrongdoing by his client, and claims the ballerina may have fled abroad living on the proceeds of a housing scam.

IT'S LIGHTS OUT IF THE BEAST RETURNS...!

REAL LIFE X-FILES

By Phenomenon Expert
GILES FULLER

IN a small German village called Wittlich there sits a shrine where a candle burns continuously.

And there's a reason why locals keep the flame alive – because legend tells that if it should ever go out, a ravenous WEREWOLF will return to slaughter them all, one by one…

For most of us, the word 'werewolf ' brings to mind nothing more than Hollywood movies and spine-tingling thrills.

But for the residents of Wittlich this beast is a harsh reality, as they're convinced there really is a ravenous critter that roams the dark forests of the Rhineland-Palatinate district in which it sits, close to the Luxembourg and Belgium border.

And the half-man, half-wolf creature was brought sharply into focus in 1988 when, at the height of the Cold War, it was witnessed and documented by scores of American air force personnel, who saw it rise up on its rear legs before jumping over a 12ft high metal fence.

They'd been stationed at Morbach munitions site, part of the Hahn Airforce Base, which had been chosen as a key location if it ever came to preventing the Soviets' march west.

Of course, the squaddies had all heard tales of the village's supposed werewolf, but laughed it off as an amusing joke.

ENCOUNTER: Hahn Air Base (*left*) and the candle which is kept lit by locals to ward off evil beast

LAIR: Werewolf stalks countryside near the Luxembourg and Belgium border

Alarms

But when the alarms warned of a breach in the perimeter fence one cold, gloomy evening, they ventured out into the shadowy forests with some trepidation.

All of the eyewitnesses who saw what happened next have wished to remain anonymous, but they're absolutely certain of what they saw.

One recently-retired USAF staff sergeant stationed in the area recently broke his silence to the US-based author and researcher Lon Strickler.

He told Strickler: "When we first came on duty at night, my patrols would do a sweep of their assigned sectors. As I was in the security trailer reading the previous shift's logs, one of my foot patrols found three dead deer within one of the wooded areas – their throats damaged and their entrails and hind quarters eaten, along with what appeared to be their internal organs.

"We did have wild boar in the area, and these were a small barking deer species, but this still seemed unusual.

"We placed a call to the local 'Forest Meister' so that he could remove the deer carcasses. But as the patrols rolled in we heard a low level, but loud, growl or howl coming from the direction of our only alarmed structures to the west of our location."

According to his unidentified source, the howling continued until the trees resonated with a blood-curdling echo.

The staff sergeant added: "It sounded like it was within our fence line. I called the entry control point to see if they had permitted any K-9 patrols in the area. They said, 'no' and also reported the howling. And I remember one of the guys asking,

'We turned in time to see a huge, dark mass clear our 12ft fence'

HOWLS ABOUT THAT: Could large, dark 'canine' actually be a werewolf?

'What if it's the werewolf?'

"We all kind of giggled but then it howled again, this time from the centre of the site. This howl was unreal. It vibrated your insides… it's hard to describe."

At this point, the troops still expected to find a large wild hog – animals common to the area – which had breached the fence.

They were issued with night vision scopes and urged to track it.

Screaming

But the witness explained: "One of the mounted patrol vehicles had made contact and was pursuing a large, dark canine. We ran in a circular route to try to outflank whatever it was they were chasing and then we heard screaming.

"We turned in time to see a huge, dark mass clear our 12ft fence! It quickly faded from our perimeter lighting, into the darkness.

"I asked for the area lighting to be turned off, walked further up a small hill and switched on my night scope. Since the magnification was weak, I really didn't expect to see anything.

"But then I saw it… it was leaned up against a tree looking at us on its hind legs, breathing heavily. Then it turned and faded into the trees.

"Only one other patrol leader saw it. I asked the K-9 unit to foot patrol the fence but the dog had retreated to his kennel and would not come out."

Statements were eventually taken by chief of staff, but the troops who'd witnessed this apparent shape shifter were told to omit any mention of a 'werewolf' – instead stating "that a wild animal had killed some deer in the wooded area behind the ammo building".

However, not everyone believes the 'werewolf' theory, despite the local curse dating back centuries.

Some reckon the animal to be nothing more than an enormous wild hog – a gigantic hairy pig described as "dark brown, stinky, hairy, big and could easily be mistaken as some sort of supernatural beast".

But others are adamant about what occurred and are cautioning others who venture into the area to heed local warnings.

Our whistle-blower added: "It really happened. It wasn't some story to scare the rookies. Was it a werewolf? Was it an endangered European Wolf? Was it a coincidence that the beast was out that night of a full moon? You decide. As for me… I'll say this – the above statement is true to the best of my knowledge."

Another sighting, posted online by a user called 'Shane', is even spookier.

He recalls: "While I was stationed there I saw something in the bomb dump that looked like a cross between a bull dog and a monkey... and it did NOT like us shining the lights of the VW 6-pack truck on it.

"It was hairless and muscular and it bared its teeth at us."

FOLKLORE: Legend has it huge beast will slaughter locals

Alice is building a dream future!

By WENDY THOMAS
news@sundaysport.co.uk

SEXY Alice Cooper – no, not THAT one – has Grand Designs when she finally hangs up her skimpies and retires from modelling.

Alice, 23, from Harrow, north London said: "I'm going to go to uni and train to be an architect."

And the 30GG cracker said it's Kevin McCloud's C4 show that inspired her.

She said: "I've always been really interested in building design and I used to sketch skyscrapers when I was younger.

"I know it's a lot of studying but it's my dream."

She added: "But don't worry – I'm not planning on stopping getting my boobs out just yet!"

My perfect Sunday...

Natasha Anastasia, 28, 36C, from Newham, east London

NAT WANTS TO MUNCH MINGE!

By WENDY THOMAS
news@sundaysport.co.uk

FORGET traction engine rallies and carveries, Natasha Anastasia's ideal Sunday would be SUCKING MINGE!

The busty blonde beauty enjoyed a steamy holiday romance last year – with another WOMAN!

And now the 27-year-old stunna says she's HOOKED on girl-girl romps and would spend every Sunday fingering fanny, given half the chance.

Orgasm

Natasha, a perky 36C, told *Sunday Sport*: "I'd never been with a woman before but a trip to Las Vegas changed all that for me.

"There are so many hot women there, it's impossible not to be attracted to girls.

"I had my first lesbian experience with a pretty girl called Taylor and it was amazing, she brought me to a massive orgasm in seconds."

Natasha added: "Since then, I've thought about sex with women constantly."

SUNDAY Sport LEGENDS OF PORN

PART 124 CHARLOTTE SINS

CHARLOTTE was born in Salt Lake City, Utah – in the heart of Mormon country – on August 15, 1996.

By PENNY MARSHALL
news@sundaysport.co.uk

She said she was an emo-girl in high school and spent a lot of nights at pop-punk parties, but at the same time was a student with excellent grades.

Charlotte went to college and studied anthropology but soon found herself strapped for cash – so she started selling her PANTIES.

Photos and short sexy videos followed and that was it, she was hooked and in January of 2018 she started to work as a webcam model.

Less than a year later the 32A perky-boobed minx found her way into the porn industry with a simple objective – to make as many people as possible happy and horny.

She certainly does that, with her liking for hard doggy-style sex and giving spunky blowjobs to well-hung studs onscreen – not to mention some vigorous fanny-grinding lesbian action with other lusty porn babes.

WELL UP FOR IT: Charlotte aims to give fans pleasure

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit a British boozer and ask babes to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas in Leeds, West Yorkshire...

EMMA BROWN
AGE: 20
FROM: Leeds
OCCUPATION: Student
FAVE DRINK: Prosecco
FAVE FOOD: Indian
FAVE FILM: *Anchorman*
FAVE ACTOR: Johnny Depp
FAVE HOLIDAY: France

ELLA DAVIES
AGE: 20
FROM: Halifax
OCCUPATION: Sales rep
FAVE DRINK: Red wine
FAVE FOOD: Italian
FAVE FILM: *The Bachelor*
FAVE ACTOR: Johnny Depp
FAVE HOLIDAY: Mexico

FIRST TIME

EMMA: It was with my boyfriend who I had been seeing for quite a while. It was in my bedroom and we had planned it for days. It was like, 'Right, my mum is going out next Thursday so that's the day'. The sex was quite good, surprisingly, as we were both nervous. It wasn't the best I've had but it was never going to be.
ELLA: Mine was also with a long-term boyfriend. I just remember it feeling a bit awkward because we didn't know what we were doing. He was trying to make out that he'd had sex before – but he hadn't. It was OK. It was just how I thought it would be, to be honest.

BEST SEX

EMMA: Oh, that has to be on my birthday last year. No, two years ago because it was my 18th, and because it was my birthday he did everything I asked.
ELLA: What a little mistress you are!
EMMA: We did a bit of everything and experimented with quite a few different positions.
EMMA: I was slightly tipsy at the time. It was with a guy I'd only been seeing for a while, so that makes it more exciting. The first period of a new relationship is always so passionate. He wanted to have sex in different positions and because he wasn't as experienced, I had more confidence. Let's just say I had really good time.

FAKING IT

EMMA: I thought all girls have faked at some time or another. I did it with one bloke because he was just crap. We could have had sex in every position imaginable but it would not have made any difference.
ELLA: You should have just told him.
EMMA: I didn't want to hurt his feelings. Plus, it was his first time and I didn't want to do that to him. He was giving it his best shot and best performance but just not doing anything for me.
ELLA: I've faked it. The sex was really boring and I just wanted to go to sleep at the time. I was too tired to put any effort in and try to spice it up. And if I'd tried to spice it up it would have gone on for longer – and that was the last thing I wanted. I just wanted to sleep.

WILLY SIZE

EMMA: I used to think it didn't matter but I have changed my mind.
ELLA: Can you not tell by the size of his hands?
EMMA: If it is really small, it is no use but if it is just a little bit small you can get away with it. Width is more important then length. I would rather have a short, fat one than a long, thin one.
ELLA: That's like a stump.
EMMA: If it's thin it doesn't touch the sides. But you'd want five or six inches.
ELLA: The bigger the willy, the more confident they are. If I was faced with a really small willy I would probably just go to sleep and I would be a little bit disappointed. Fortunately, this hasn't ever happened to me.
EMMA: It has to me. Small willy means bad sex, sorry!

OUTDOOR ACTION

EMMA: If you have sex outside you have to be quiet or people might catch you. I have had sex in a car, does that count? I've had oral sex outside but not full. When I had sex in the car he was taking me home and we were outside my house. I didn't want to go in but having sex in a car is not very comfortable. I think I just prefer it indoors.
ELLA: I've never had sex outside. I've never had the opportunity. I would like to have sex in a car but not outside. Well, maybe in a field or something but that might be a bit messy.

SPIT OR SWALLOW?

EMMA: The first time I gave a blowjob I spat but now I always swallow. Saying that, I don't always get off on it. I do it to please my boyfriend and get him in the mood for a shag, as I know he loves it.
ELLA: I spit. Every time. If I am giving him a blowjob he doesn't have a choice. It is always down to me.

ONE-OFFS

EMMA: I have only had two, which I think is good. One was good, the other not so good. It happened when I was tipsy and they generally don't have good consequences, especially if it is someone you know. I feel weird in the morning. You think, 'What have I done?'
ELLA: I have never had a one-night stand. If I don't know somebody I don't feel I can fully trust them. For all I know they might murder me!
EMMA: That's a bit extreme.
ELLA: They could be a total psycho. I like to get to know someone first before I have sex with them. I don't think I have ever been tempted.

'She teased me to the point of orgasm before ordering me to go down on her'

FAVE POSITION

EMMA: I like good old missionary. Not only is it the best for me but it is more intimate. You are close to each other and are able to see his face.
ELLA: I don't think I have a favourite position – I'm not fussy. I like them all! I also like to make them up as I go along.

TURN-ONS

EMMA: Kissing my neck does it for me and him nibbling my ears. That always gets me in the mood. And if he is turned on, then so am I.
ELLA: I like my men to have a really good physique. I like rugby players' legs and bums and a nice, toned stomach. And like you, Emma, kissing always gets me in the mood, too.

BUM FUN

EMMA: I've not tried it yet. I don't know why – maybe the right person hasn't come along in my life yet who I trust to be so intimate with. Maybe I'll save that special moment for my wedding night.
ELLA: I've done it a few times. It's quite nice. You have to take your time and use plenty of lube. The best bit about anal is when he rubs your clit while his cock is in your arse – it usually leads to me having a really intense orgasm.

FANTASIES

EMMA: I often have really wild dreams about being at a high class sex party and being the centre of attention. Lots of hands are all over my body, gently rubbing and teasing me. Then my clothes are slowly removed as the hands delve further and start playing with my boobs and my pussy. At one point I can't tell if the hands belong to men, women or both – but I'm getting wetter and wetter as a finger penetrates me, then a hard cock is introduced to my lips. I take the full length in my mouth as more fingers slip inside my dripping fanny and eventually I take cock after cock in every hole before being showered in hot spunk.
ELLA: Oh my God! That's got me so excited!
EMMA: It's only a fantasy – I don't think I'd ever have sex with more than one person in real life though.
ELLA: I love the idea of being tied up and gently spanked and whipped by a strong, dominant female. She'd tease me to the point of orgasm before ordering me to go down on her.

DRESSING UP

EMMA: I've got one of those PVC naughty nurse outfits which always gets me in the mood as soon as I put it on. And blokes seem to find it quite arousing, too!
ELLA: I like to dress in really sexy undies in the bedroom – stockings and suspenders are my fave. I love the feel of them on my legs.

Meet Ava Austen –

the tattooed porn legend from TELEVISION X HD

I LOVE HOT INTIMATE PASSIONATE SEX!

By JAYNE FERGUSON
news@sundaysport.co.uk

BRITAIN'S biggest and best adult TV channel – Television X – is famous for its RED-HOT porn stars in UNCENSORED X-rated action.

And while we love to see big-boobed babes take yards of rock-hard COCK on the small screen, it's nice to know what makes our porn performers tick.

We caught up with tattooed porn megastar Ava Austen, 33, from south London, to chat about her wildest exploits in front of the camera…

HOW DID YOU GOT INTO PORN?

I met a gorgeous open-minded woman while swinging with my husband and she tempted me in to the business.

I shot my first scene with her, too. It was produced and directed by Liselle Bailey and shot by Trash Meister.

WHAT DO YOU LIKE MOST ABOUT BEING A PORN STAR?

I love the freedom it gives me to express myself like nothing else – and I love sex!

It turns out I like acting and performing, too. It's an art form, and I enjoy producing and starring in my own stuff, as well as working for the big UK companies like Television X.

WHAT TYPE OF PORN DO YOU LIKE TO WATCH?

I like pretty straight forward, hot, intimate and passionate sex between a guy and a girl.

I also love lesbian scenes with porn girls I've not worked with yet. Some of the American girls are amazing!

WHAT PORN STARS DO YOU LIKE TO WORK WITH?

I've made some great friends in the industry and it's always amazing when I get to work with them and make some magic!

Angel Long, Rebecca More, Alexxa Vice and Sophie Anderson are my favourite babes!

WHAT TYPE OF MEN ARE YOU ATTRACTED TO?

In a male work partner sense, I like guys who can make me feel at ease on set.

WHAT'S THE WILDEST THING YOU'VE DONE ON A PORN SHOOT?

A stand out filthy scene I did was for TVX. It was with Sophie Anderson and Marc Rose and shot by Angel Long for her series *Angel Long's Foot Addicts*.

It was a scene where Sophie and I put our feet to good use, shared lots of spit and gave Marc a good seeing-to!

IF you'd like to see some more of Ava getting up to some filthy fking then head over to *www.televisionx.com* or call 0871 075 6969 NOW!**

TODAY

TOMORROW

***Rose West & Myra Hindley: Their Untold Story with Trevor McDonald* – ITV, 9pm**

THE veteran journalist tells the extraordinary untold story of how the two most notorious women in British crime, Rose West and Myra Hindley, became lesbian lovers in jail.

A host of former Category A prisoners, including reformed Mafia member Marisa Merico and ex-gangster Linda Calvey, tell Sir Trevor how Rose West revealed her murderous temper in prison.

Meanwhile, former prison governor Veronica Bird, police officers and prison visitors describe how Hindley cleverly manipulated people in jail, even persuading a female guard to help her escape.

Operations that'll stay in your mind

***Brain Surgeons: Between Life and Death* – C4, 9pm**

DOCUMENTARY following patients undergoing life-changing brain surgery at Southampton's Neurological Centre – one of Britain's foremost units of its kind, where some of the most difficult and complex operations in the country are performed.

Twelve-year-old Matthew faces a gruelling two-day operation to remove an extremely rare tumour deep in his mid-brain, next to his pineal gland.

This is a region key to the functioning of sight, muscles, hearing and sensation.

With access to the hospital's team of leading paediatric surgeons, the programme follows the doctors' attempts at a delicate and risky operation, which could save Matthew's life.

OF THE TELLY

By BARNEY SAMUELS

Ulster have it all Toulouse!

Live Heineken Champions Cup Rugby Union – C4, 12.15pm

(Toulouse v Ulster K-O 12.30pm.) LEE McKenzie presents coverage of the quarter-final at the Stadium Municipal.

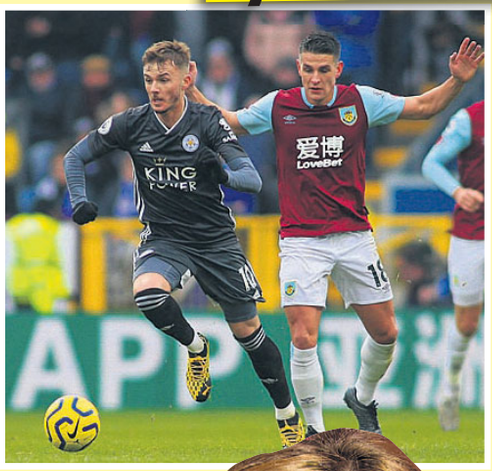
Toulouse were in impressive form as they topped their pool ahead of Gloucester (*left*), Montpellier and Connacht with a 100 per cent record, while Ulster finished second in their pool behind Clermont Auvergne, winning five matches and losing just one.

With analysis from Stephen Ferris, and commentary by Miles Harrison and Nolli Waterman.

Doctor Zhivago – BBC2, 3pm

A MARRIED Russian physician falls in love with another woman, but as their passionate affair plays out against the raging backdrop of the First World War and the Bolshevik revolution, he is torn between his desires and his loyalty to his wife.

David Lean's epic drama based on Boris Pasternak's novel, starring Omar Sharif, Julie Christie, Geraldine Chaplin, Rod Steiger, Alec Guinness, Ralph Richardson, Tom Courtenay and Klaus Kinski.



Match of the Day Live – BBC1, 6.45pm

(Leicester City v Burnley K-O 7.00pm.)

ALL the action from the Premier League encounter at the King Power Stadium.

Leicester finished in a more than credible fifth place last season, but will have been disappointed to miss out on the Champions League places as their form dipped once the league restarted.

In contrast, Burnley started the campaign slowly, but finished it strongly to end the season in 10th and their defensive organisation is likely to provide the Foxes with a difficult test this evening.

Odd to see it on prime time terrestrial TV.

TUESDAY

The Great British Bake Off – C4, 8pm

NEW series. Matt Lucas takes over from Sandi Toksvig as a co-host for the 2020 series, alongside returning presenter Noel Fielding and regular judges Paul Hollywood and Prue Leith.

The 12 contestants for this series have been required to form a social bubble due to COVID-19 lockdown restrictions.

The contest begins with Cake Week, beginning with a signature challenge to produce a classic Battenberg.

For the technical round, Paul sets the contestants the task of making a fruit sponge, and the final Showstopper Challenge gives the bakers a chance to express their creativity.

Appropriate Adult – ITV, 9pm

PART one of two. Drama telling the story of how serial killers Fred and Rosemary West were brought to justice.

In 1994 the life of Gloucestershire voluntary worker Janet Leach is turned upside down when she is asked by police to sit in on interviews as an independent safeguard on behalf of a man they have arrested.

Within minutes he makes a shocking confession of murder. From then on she is drawn into the centre of the investigation and a complex personal relationship with West, who tells her information about other victims that she cannot pass on to the authorities because of her obligation of confidentiality to him.

Starring Emily Watson, Dominic West, Monica Dolan and Robert Glenister. A repeat but brilliant.

DON'T MISS THIS!!!

The Grand Party Hotel – Thursday, BBC1, 8pm

NEW series going behind the doors of the Shankly Hotel in Liverpool, which has themed party suites so guests can celebrate important moments in their lives.

But with the hotel's online rating having slipped, a new general manager has been called in to shake things up – although his changes don't go down well with the staff.

Elsewhere, wedding planner Ciara helps brides-to-be Trudie and Danielle, while guest relations officer Liam looks after Laura who has checked in to celebrate her recent divorce.

VENERA LICKS CHEST GREAT!

VENERA Isabella's favourite trick is to whip out her teats on a hot day and lick her own nipples for the delight of any lucky spectators.

And the mega-boobed babe is full of surprises.

The 34GG stunna once surprised her blindfolded fella with a THREESOME – with another hot girl!

By WENDY THOMAS
news@sundaysport.co.uk

Venera, 24, who swapped her home in the Italian countryside for Colchester, Essex, organised the X-rated session for his birthday.

She said: "I told my boyfriend I had a special surprise present for him and got him to put on a blindfold and sit on a chair.

"My friend was waiting in the next door bedroom.

"Then I teased him with kisses all over until I took him in my mouth and gave him a sensual blowjob.

"After a while I got my friend to sneak quietly into the room and join us.

"What a night that was!"

SUNDAY Sport SEXY BACK END!

Preeti takes it when she likes!

GORGEOUS Preeti Young knows what she wants in the bedroom and is not afraid to demand it.

The 32FF cracker from Lambeth, south London, said: "MY thing is being ultra bossy in the bedroom – I just love to take full control.

By WENDY THOMAS
news@sundaysport.co.uk

"I'm no stranger to spanking, whips, butt plugs and strap-ons, and I love a little domination. I have an obsession with dressing up, too – leather bodices, fishnet body stockings… you name it, I've got it!"

She added: "My man can be any type of submissive – a naughty boy who needs to be punished, an obedient slave, or just a guy who will give in to me and all my demands.

"Some women are too often told they need to be submissive. Well, I don't wait to be given 'permission' for sex – I take what I want, when I want it!"

LUCIE'S WILDE FOR BUM LOVE

WHAT'S not to love about Lucie Wilde?

The Prague-born babe is one of the world's most successful porn actresses.

Although she only made her first hardcore movie in 2014, she was soon working for the robust LegalPorno outfit – a move that involved her indulging in anal sex.

A LOT of anal sex!

By WENDY THOMAS
news@sundaysport.co.uk

The 22-year-old, who has whopping 32L boobs, told us: "At first I was a little shy about having all these huge cocks f**king me in my tight little puckered ass.

"I had only put my finger up there before.

"But with patience – and plenty of lube – I now get huge, hard cocks right in my anus… I love it.

"Sometimes, I come so hard that a little bit of pee comes out, too!

"Is very sexy, yes?"

Dear Kelly,

I GOT a text message the other day from a bird I did not know. It read: "Want to suk ur cok all nite."

I sent one back saying that she must have got the wrong number but she was welcome to suck me off. To my amazement she replied and suggested we meet. I couldn't believe it. She was slim with long, dark hair, about 30 and very glamorous.

We went back to her place and I was rock-hard. She undid my pants and unleashed by throbbing love beast. She then sucked me off and let me explode between her 34Ds. We then had it doggy-style and she loved it as I pulled her hair.

I haven't seen her since and she does not return my texts.

Any advice?

Kelly says...

REMEMBER what a great night you had and move on.

Dear Kelly,

I'M a 27-year-old woman and I've been having sex with a neighbour's son for the past six weeks. He's 18, 6ft 2in tall and I can't get enough of him. The first time we f**ked he was a virgin but now he's a lot more experienced – and experimental.

He takes me front, back and sideways and when he goes down on me I never fail to orgasm. This morning I could hardly walk properly – that's because I let him take me up the arse.

Anyway, he really loves it when I lick his balls and tickle his arse while I suck him off. And I love it when he plunges my hidden depths with his big dick and orgasms all on my tits.

But do you think I'm wrong for having it off with a lad who is so much younger than me? Please help!

Sunday Sport SEXY BACK END!

Girl saw my milky tug but left me frustrated!

Dear Kelly,

I WORK at a fast food place and it was left to me recently to lock up at the end of the evening.

I'm usually pretty smelly by the end of the day so before heading home, to avoid going into a late shop, I decided to make myself a milkshake and sat down in the break room to drink it.

Realising there was no-one else in the building I got to thinking about a discussion we'd had at lunch when one of the young lads said the best wank he'd ever had was in a cup of milkshake.

Knob

I thought this was a good opportunity to try it out and pulled my seven-inch cock out of my work pants. I then got it erect and dipped it right down to the bottom of my strawberry shake and started knobbing it.

It felt great and my bits were soon covered in shake.

By then I'd slipped my jeans and pants round my ankles and my cock was bulging and my balls were aching to explode.

I was so carried away that I hadn't noticed one of the girls from the office area had come back in and had been standing there watching me knob the shake.

I'd always thought she was a right cow and I'd never seen eye-to-eye with her.

So I was quite surprised when she told me to carry on, lifted her skirt and stuck her hand in her knickers to frig herself off.

I felt a little bit uncomfortable but as soon as I saw her shaven gash I was beating myself off faster than ever. But when I'd finished and shot my load in the milky, pink gunk, she just lowered her skirt and walked off.

I really enjoyed my wank but now I'm desperate to shag this girl, who has said nothing about the incident since.

The least she could do is to do a repeat and then suck the shake off my cock. What can I do?

JW, Hants

Kelly says...

WELL, you've put me off of milkshakes for life! Why not offer to take this lass somewhere posh?

Dear Kelly,

LAST week a game of strip poker at my mum's house got out of hand and I ended up having sex with a bloke three times my own age. I got home from a club to find a party Mum had been hosting had got a bit kinky, and all her pals were sat around in various stages of undress.

I found myself turned-on so I joined in and soon ended up naked. Then I started snogging this fella, and it went from there. He was a pal of my mum's and built like a horse, and I loved sucking his cock, but I can't tell my pals because they'll all call him Grandad.

What can I do?

SP, Manchester

Kelly says...

JUST find a well hung lad your own age.

Kelly says... IT'S all fun and games round at your gaff!

Bum's the word for Jordan!

By WENDY THOMAS news@sundaysport.co.uk

THEY talk straight in Russia...

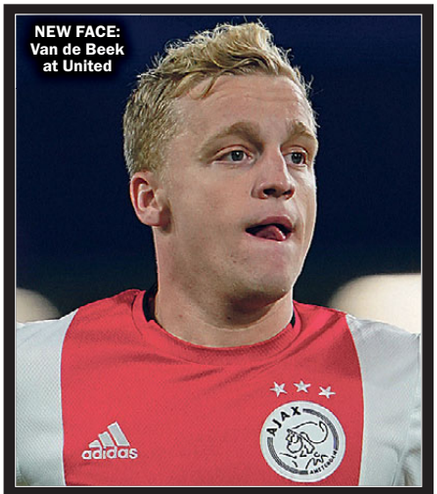
And although Jordan Price does not sound like a very Russian name – OK, her real name is Aleksandra Donekova – the blonde bombshell lives up to that reputation for plain speaking.

"I like it in the ass," the 29-year-old told us. "No, I LOVE it in my ass. Cock, sex toy, fingers, tongue. Put it in my ass and I come hard!"

Jordan was born in Moscow and says she loves the COCK as much as her countryfolk love VODKA!

The 32FF megababe – who is now based in London – added: "After a long day making a porn movie, I can be covered in spunk.

"But it is very good for the skin!"



NEW FACE: Van de Beek at United

Ole's Gunnar sign players this window

MANCHESTER United boss Ole Gunnar Solskjaer insists the club WILL do more business before the transfer window shuts next month.

The Red Devils have long been on the trail of Jadon Sancho but look no nearer to getting the deal over the line for the Borussia Dortmund forward.

Solskjaer was also keen on tempting Jack Grealish away from Aston Villa but he's signed a new contract with the club.

So only Donny van de Beek from Ajax has arrived in a £40m deal. That's positive for the Old Trafford faithful but there is some upset about Thiago Alcantara going to Liverpool rather than United.

Solskjaer said: "We've done some business with Donny. We are very happy and delighted to get him in. He's a very good player.

"I can't say about other clubs' players. I can't speculate. We have to develop what we have and strengthen the team.

"Lets wait and see if we manage to get someone in. I've been in dialogue with the club, we are always discussing, let's see if we can bring anyone in."

Solskjaer says he can understand the fans being unhappy about the lack of movement on the Sancho deal.

And he would like to give them some good news about potential recruits soon.

The Norwegian added: "Over our history we can look back 10-20 years and you look back at the great players we've had. Going forward, since Sir Alex Ferguson left we've averaged fifth place. Last season we were third and it was a big step.

"Everyone saw the development of the team, Bruno Fernandes coming in, Harry Maguire as captain with his leadersip skills.

"Aaron Wan-Bissaka did really well. We want to step forward, develop and go into season with confidence, looking to give the group a boost. We are working on it.

"I think we can go into new season with confidence with the way we finished last season.

"That showed what we are capable of.

"We developed throughout the season and will keep on developing. We've shown our potential, but need more consistency. With a year more experience, we should get consistency."

SKINT: Pochettino didn't buy a player for more than a year at Spurs

BALE BANNED FOR MO PO!

Ex Spurs boss didn't have dough for Gaz

MAURICIO Pochettino says he would NEVER have been allowed to sign Gareth Bale when he was in charge of Tottenham.

By PAUL THOMAS

The Welshman is on his way back to White Hart Lane on a season-long loan from Real Madrid.

Pochettino — who many think was unwisely sacked by Tottenham last season — says he would have loved a player like Bale.

But the money was never on the table to get such a deal done. Spurs are shelling out about £15m in wages over the next 10 months.

Mo Po is reminding the club's fans that all the cash was going into rebuilding the stadium in his time at the Lane.

Pochettino said: "Bale is a fantastic footballer. He is at an age where he still has strength, plus experience and maturity.

"He has been seven or eight years at Real Madrid: he has been decisive, he has won four European Cups, he has scored in important matches. The times we have met, he has always been very affectionate with me.

"There was never the possibility to get him for me, first of all because everything was focused on finishing the stadium.

"When we got to the Champions League final, we hadn't signed a player for a year and a half.

"After that, I left. There was never the possibility, but it's clear that a player like Bale would have brought a lot to the team."

And Pochettino is frustrated that he has missed out on managing Bale — again!

He added: "My No2 Jesus Perez said to me: 'Imagine if Bale signs for Tottenham. We went to Southampton, Bale had left. We signed for Tottenham, Bale had left. Now look, he's coming back to Tottenham!"

It's not just Bale who is about to set White Hart Lane alight.

Mourinho is on the verge of bringing in another Real Madrid player in full-back Sergio Reguilon.

He will cost around £25m and could fill a problem position on the left flank.

Pochettino said: "He's a player with a lot of talent. He had a fantastic season at Sevilla, culminating in the Europa League.

"I think he's a player who is for the present, but also a player who needs development and consistency in his evolution.

"Spurs need to work closely with him. He has great potential, but he's a young player who has to keep growing."

PRIZE KAI: Havertz is out to hurt Liverpool

THE big game in the Premier League this weekend sees champions Liverpool travel to Stamford Bridge to meet new-look Chelsea this afternoon in the first clash of the season involving the so called "big six" teams.

I was singularly unimpressed with Frank Lampard's side at the Amex on Monday and felt they were fortunate to pick up maximum points. Of Lampard' new signings Timo Werner looked sharp and pacy and will improve, but Kai Havertz was disappointing.

He will have to raise his game today against the Reds who look sure to have Fabinho back alongside Jordan Henderson in the centre of midfield with new signing Thiago Alcantara unlikely to start even if his registration goes through in time for the Brazilian to play at the Bridge.

I expect Lampard to give debuts to defenders Ben Chilwell and Thiago Silva against Liverpool. Chelsea became only the third club in the history of the Premier League to accrue 2,000 points courtesy of their win at Brighton, but I feel they will need more time to add to their tally. Note Manchester United lead the way with 2234 followed by Arsenal on 2014.

Liverpool did the league double over Chelsea last season but did lose out to the Blues in the FA Cup back in March. The Reds are 6/5 with bet365 to take all three points with Chelsea 9/4 at Unibet with the draw at 14/5.

CharlieMcCann.co.uk
Tips, News and Betting Offers

Liverpool cannot defend as badly as they did against Leeds and Klopp will not set his side up to be as open as they were on the opening day. This game might just come too soon for Chelsea and Liverpool to win and both teams to score is the tip at 11/4 at Betfred.

Spurs travel to St Mary's in today's early kick-off and both have disappointed in the opening week of the season despite the fact that Jose Mourinho's side came from behind to win their Europa League tie against nine-man Lokomotiv Plovdiv on Thursday.

Spurs have had a busy start to the campaign with games on Tuesday at Leyton Orient and Thursday in north Macedonia to follow and Mourinho was forced to play near full strength side in Bulgaria with the Europa League just one leg before the Group stages.

Southampton have lost both games this week and they played a strong side on paper against Brentford in the League Cup midweek. I cannot split the teams and a 1-1 draw is the recommendation at 6/1 with BetVictor.

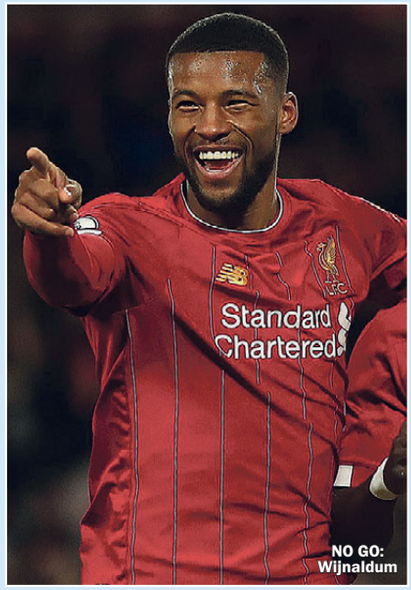
Manchester City begin their bid to regain their Premier League title as the 5/6 favourites which I find is extraordinary as they have only added Nathan Ake to a squad that looked increasingly vulnerable last season.

Of course, they will bridge the 18-point gap to Liverpool this term and may, indeed, regain the title but they should not be odds on given how poor they were – albeit by their own high standards

City travel to Molineux tomorrow to meet a Wolves side who played well at Bramall Lane last Monday and will give market leaders a challenge.

City are 8/15 with Boylesports with the hosts 11/2 and the draw at 7/2 at Unibet. Wolves and the draw are 13/8 in the double chance market and that is the recommendation in what promises to be a terrific game.

BIG DEBUT: Thiago Silva



NO GO: Wijnaldum

GINI STAYS AS THIAGO ARRIVES AT CHAMPS

By ANDY MILLOM

JURGEN Klopp insists he doesn't have to sell Gini Wijnaldum to make way for Thiago Alcantara.

The Liverpool boss is suddenly blessed with loads of options in midfield after the Spain international arrived from Bayern Munich.

The club has had a policy of balancing the books which means Klopp should have to find £25m from sales to pay for the 29-year-old.

The most obvious man to go is Wijnaldum as he's in the final year of his contract and Barcelona are interested in a £15m deal.

But Klopp is adamant that Alcantara's arrival will not lead to a sale in this window. He said: "It has no impact on anybody's future in a negative way.

HAPPY: Jurgen Klopp

"If you want, it's not like somebody has to leave because somebody comes in or whatever.

"It's just about timing. Sometimes you buy before you sell, sometimes you sell before you buy.

"Sometimes different scenarios. Sometimes you don't buy now but you buy later and sometimes you earn the money back in different ways.

"The only thing which is always true with us is what we earned on football, we spend on football.

"That is the short summary of the philosophy of the club. One of the key points.

We cannot just say 'This year we need this and that, and we cannot afford it' – and I wouldn't insist on it.

"But this season we worked constantly on improvement. Sometimes people like it, sometimes they like it later.

"I cannot promise we will do something more and I wouldn't but I cannot say it is 100% sure we don't do anything.

"It's the situation, it is developing a situation so anything could happen.

"If a player comes to me and asks me 'Boss I want to go' — I don't expect that but it can happen — then we have to react."

Klopp is also throwing his weight behind having seven subs this season rather than five.

He said: "If we stay in all comps, it will be tough all season.

"My first concern is player welfare. It makes the situation more tricky and we will realise that in the next few weeks.

"We'll try to prepare for it."

DUFFY ON THE UP AT HOOPS

SHANE Duffy says he'll IMPROVE as a player after signing for Celtic.

Critics say the Ireland defender is stepping down in class after leaving Brighton in the English Premier League.

But Duffy is not having that, insisting that his standards will not slip in a Hoops shirt.

He said: "I'm not the kind of player who would drop his standards. Playing for a club like Celtic you can't drop your standards or you don't play and you don't win leagues.

"Down south I would be sitting deep and digging in. But I'm on getting on the ball quite a bit now and defending higher up the pitch. If I can add that to my game I'm hoping it's going to make me a better player, not pick up bad habits."

BIGGER THAN BARCA

Gunners on same level says Arteta

MIKEL Arteta believes his Arsenal squad is "incredible" and on the same level as Barcelona.

By JOHN ANTHONY

And that's why Pierre Emerick Aubameyang has committed his future to the club.

The Catalan giants tried to poach the striker at the last minute while Inter Milan wer sniffing about but he decided to stay at Arsenal.

And Arteta is not surprised. He said: "The size of our club is as big as those names. The most important thing is the football club. What we inspire to be, and what we can achieve in the future.

"I think a big reason why Auba is staying is because we have an incredible team.

"We have some fantastic people working here and he feels the love from the fans.

"I did my part, explaining to him what we are trying to do, explaining to him how important he is going to be. That's it.

"The club has to take credit and people who put together this package for him to stay."
